

Well hello,

My name is **Jo-Ann, 19** years old born and raised in Amsterdam who is a motivated student eager to learn new skills that is related to UX/UI design and Front-end Development. I am currently studying Communication and Multimedia Design at the Amsterdam University of Applied Sciences. As a kid I have always been messing around with drawing and crafting stuff and during high school I built strong interest for math and science. Therefore I wanted to create/build things to make people lifes less complicated.
